IDEA has enabled our client-service teams to hone in on our clients' unique needs and provide them with innovative ideas and solutions they may not have otherwise considered. RSM Richter's value added approach is perfectly supported by IDEA's flexibility, which allows us to modify the procedures for efficient and effective results. Using built-in functionality along with in-house developed scripting, we were able to revolutionize our approach to audits by providing standardized procedures and output.

RSM Richter LLP offers a full range of audit, tax, advisory and consulting services, supported by in-depth industry knowledge and national and international experience. Strategically located in Calgary, Montreal and Toronto, RSM Richter LLP is part of a strong international affiliation covering all major markets around the globe. RSM International is the 6th largest network of independent accounting and consulting firms in the world operating from 700 offices in over 80 countries.

IDEA can read, display, analyze, manipulate, sample or extract from data files from almost any source. Lower your audit cost, add more quality to your work and meet professional standards.

Be a better auditor.  
You have the knowledge.  
We have the tools.
